**In Our premises we are very much
concerned
about our
‘security’**

Theft

Terrorism

Any Accident

CONCERNS

Damages

How do we manage these 'concerns' !!

How we generally manage these 'concerns' !!

By wall Fencing, latch doors, protective gates, automatics barricades

Secure Measures

To capture the activities, incidents

Cameras

Guarding our premises, presence of security guards feeling safe and secure, to prevent crime

Security Guards

How we generally manage these 'concerns' !!

Secure Measures

Cameras

Security Guards

**Still the incidences happened !!!
Why ??**

Slept peaceful ??

Let's find out 'Why'

Not that much
Secure

Not Controllable

Reactive systems

Not Controllable

Expensive

Controllable but still
we are not able to
control !!!

What is issues with security Guards

What we think what security guard should do

But, What actually he did !!

Only solution to this concern is

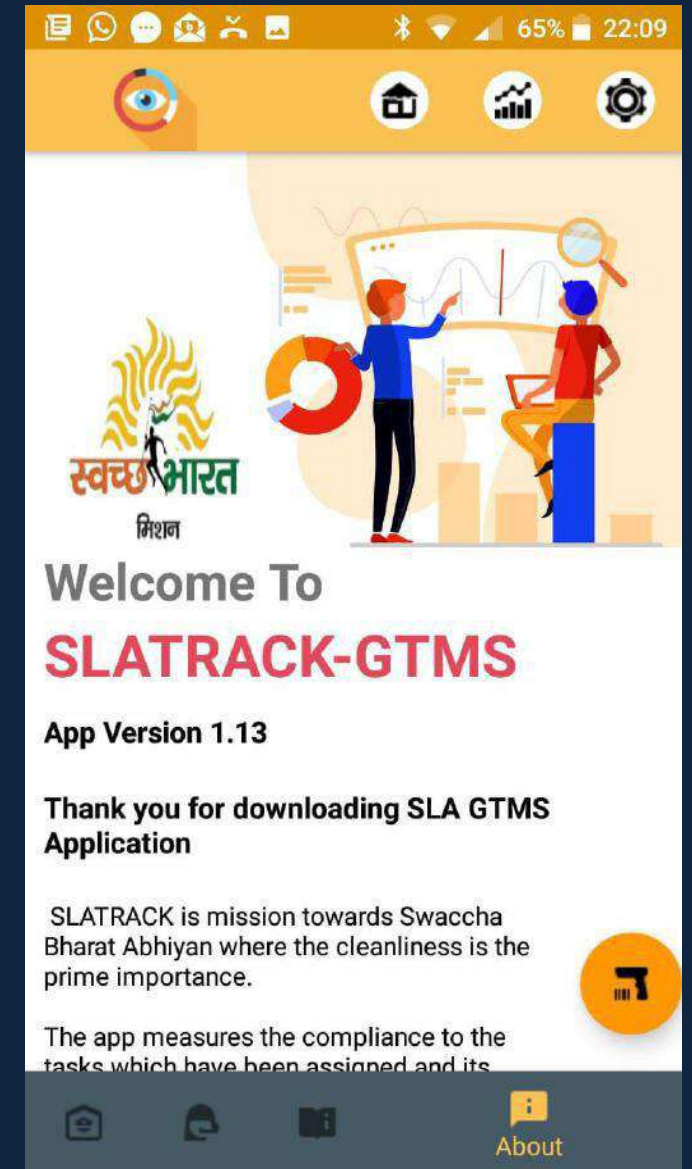

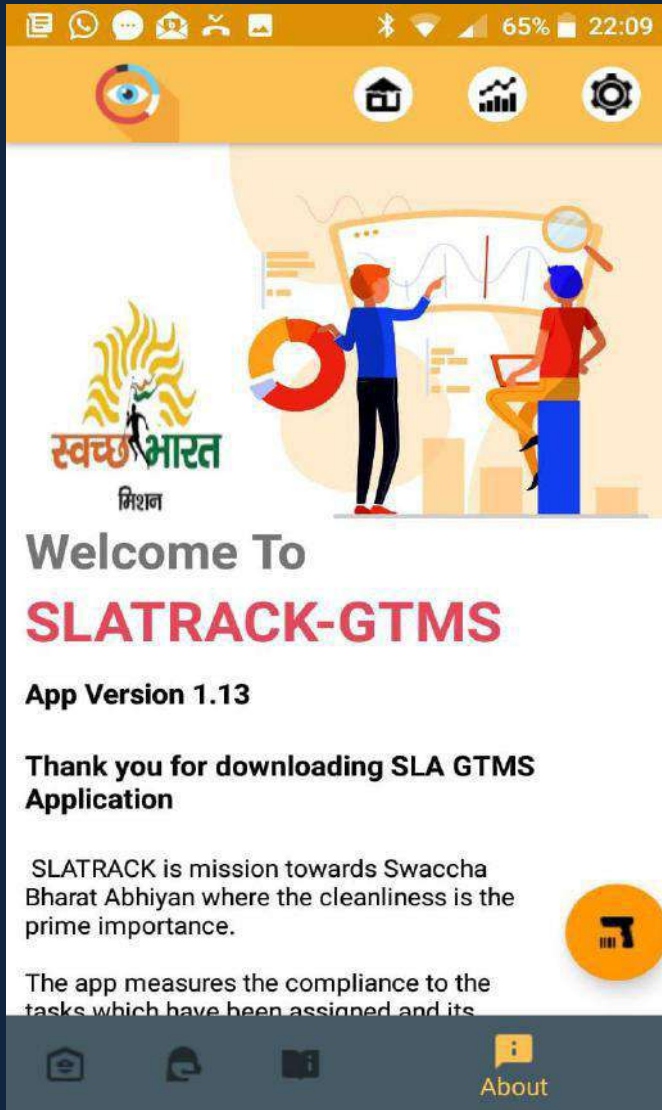

SLATRACK-GTMS A Guard Tour Management System
